Dr. Siéta Achampong

CONQUER LIFE'S TRIALS

With Determination, Faith, and Strength

Bio

As a previous award-winning principal and now Director of High Schools for the Harrisburg School District, motivational keynote speaker, and author; Dr. Siéta knows how to effectively communicate with diverse crowds, and encourage them to ignite their desire to overcome the trials they are facing. She pulls from her life's experiences of:

- Teen Pregnancy
- Insecurities
- PTSD
- Depression
- Breast Cancer and more...

and delivers her words with empathy, leaving individuals feeling more empowered to change, and feel more hopeful for things to come.
